Dear Parent/Leader,

Thank you for choosing Camp Daniel Boone! We are prepared with a safe, fun, outdoor environment that will create a backdrop to many memories and learned skills for your scouts. We know you have many Scout Camps to choose from and we are excited that you chose to join our family this summer. Our goal is to provide the environment you need to help your Scouts develop toward Eagle. From the 6,000-foot summit of Cold Mountain to the tumbling Little East Fork river that flows through camp, CDB abounds with Scouting program adventure! Camp Daniel Boone's program is designed to support the enormous opportunities for leadership and character development that arise from the summer camping experience. Starting with the Goin' Great first year camper program to our multiple high adventure opportunities, we deliver the promise of Scouting every week.

Our base camp operation provides 40+ merit badge opportunities with a focus on skill building for solid camping experience. Additional safety protocols will foster healthy interactions and a variety of activities will keep scouts engaged from morning 'til the stars come out. CDB has been a leader in High Adventure programming since 1978 and we are excited about our trek offerings in 2022! We have the most intense rafting trek in the BSA, the incredible "Five Rivers Trek." Add in the Ropes Trek, Boonesboro Village, and the Zip and Splash Trek and you have high adventure options for everyone!

We also believe in the value of down time... time to just explore and relax. That can come in the form of fishing, fellowship with some of the Scouts from the 20 different councils who attend each week, roasting marshmallows, climbing the rock wall, making a craft for mom at Boonesboro Village, or playing frisbee on the lawn. The CDB staff will do their best to help your Scouts discover new talents and hobbies and gain self-confidence.

For adults, we offer numerous leader training events during the week, as well as time to play. There is a Scoutmaster Shoot, Dutch-oven cook-off, and the always competitive CDB classic golf tourney. I know you will enjoy the cool summertime temperatures and the quiet starlit nights around the campfire.

Can't wait to see you on the headwaters of the Little East Fork,

Yours in Scouting,

Melinda Kuehn

Camp Director

Provisional Scouts and troops from outside Daniel Boone Council must provide certification from their own council that they have troop and/or council accident & sickness insurance coverage. - This form may be found at: https://www.scouting.org/health-and-safety/ahmr/
- No other medical forms are accepted. All medical forms are turned in upon arrival at camp and maintained at the health lodge during your stay.
- Make sure that the form is filled out completely- Please attach copies of insurance cards and dates of immunizations.
- Medications are to be kept by the unit leader in a locked storage container. The health lodge has boxes and locks available for weekly use if needed. Refrigerated medications can be left with the health officer and administered by the camp health lodge staff, if desired.

CAMP DANIEL BOONE and COVID19

It is **CRITICALLY** important to work together to keep camp a safe and healthy place. Your cooperation in all levels of health and safety protocols is essential to our combined success.

PRE-CAMP HEALTH MONITORING

⇒ It is highly recommended that all participants significantly reduce contact with others in the 2 weeks before attending camp. This has proven to be a great way to reduce the spread of COVID19 and other illnesses. In addition, every attendee must monitor their own health and only attend camp if feeling their best.

IN CAMP HEALTH PROTOCOLS

- ⇒ Upon arrival to camp, you will be asked the questions on the health questionnaire and get your temperature checked before you exit the vehicle. IF ANYONE IN THE VEHICLE shows symptoms of COVID19, the entire vehicle will be asked to leave camp without unloading.
- ⇒ Each day, your unit needs to take temperatures and ask the health questions of every person in your campsite. Anyone not feeling their best needs to visit the health lodge immediately.
- ⇒ If someone is showing symptoms of COVID19 or other communicable disease, they will be immediately isolated for further assessment. Camp management will determine next steps based on the presenting situation. These steps could include, but are not limited to, continued isolation until symptoms resolve, pursuit of higher level medical care, leaving camp for the health and safety of themselves and others.
- ⇒ The 3 W's will be implemented camp wide all week.
 - WAIT 6 ft apart as often as possible in every situation. This includes spaced out seating in classes, standing in any line, and while participating in any program.
 - WASH Your Hands handwashing/hand sanitizing stations will be fully operational throughout camp – at every latrine, every program area, at the dining hall. Frequent and thorough hand washing is a crucial element and as leaders we must model and expect this behavior all week long.
 - WEAR a mask indoors and anywhere that you cannot stand/sit 6 ft apart. All week long. Never travel without a buddy or a mask.

POST CAMP PROTOCOLS

All units must monitor their health for 14 days after camp and report back to CDB the names of anyone who develops symptoms of COVID19. BSA requires us to contact individuals who may have been in close contact with that person and communicate accordingly.

If your troop is associated with a Cub Scout Pack, it is important that you always maintain a healthy relationship with that pack. To make sure that Arrow of Light Scouts who will be crossing over have the opportunity to attend summer camp, your troop should begin talking with them about the adventure well in advance of summer camp. It is of value to have your Senior Patrol Leader and some Scouts attend a den meeting or two to teach a skill and talk up ScoutsBSA and summer camp. Send a special invitation to every graduating Arrow of Light Scout inviting them to attend summer camp with your troop.

SUMMER CAMP MEETING

Many troops have a special summer camp meeting each spring for the benefit of the Scouts and their parents. Invite Webelos who will be crossing over to attend. The purpose and scope of these meetings will vary from unit to unit. Some meeting activities could include:

- Travel plans
- Collection of medical forms & camp fees
- Merit badge selections
- Distribution of contact information and CDB Parent Information (see Parent's Guide)
- Having a Q&A session for parents and Scouts

The following policies have been adopted to provide additional security for youth in the program. In addition, they serve to protect adult leadership from situations in which they are vulnerable to allegations of abuse.

TWO DEEP LEADERSHIP: Two registered adult leaders, or one registered adult leader and a parent of a participant, one of whom must be 21 years of age or older, are required on all trips and outings. The chartered organization is responsible for ensuring the sufficient leadership is provided for all activities.

NO ONE-ON-ONE CONTACT: One-on-one contact between adults and youth members is not permitted. In situations that require a personal conference, such as a Scoutmaster conference, the meeting is to be conducted in view of other adults and youth. There is NO CORPORAL PUNISHMENT allowed in camp at any time.

SEPARATE ACCOMODATIONS FOR ADULT MALES AND FEMALES & YOUTH MALES AND FEMALES ARE **REQUIRED:** Separate tenting arrangements are provided for male and female adults as well as for male and female youth. Spouses may share tents. Individual restrooms and showers are available throughout camp for all campers. Privacy of both youth and adults is expected.

PROPER PREPARATION FOR HIGH-ENDURANCE ACTIVITIES: Activities with elements of risk should not be undertaken without proper preparation, supervision, and safety measures.

BOY SCOUTS OF AMERICA SMOKE-FREE POLICY: It is BSA policy to provide a smoke-free environment for all Scouting participants. Therefore, any tobacco use is prohibited at Camp Daniel Boone in the presence of youth or in buildings. You may smoke, vape, and/or dip only in the designated smoking area located behind the dining facility.

BULLYING always involves one person or group trying to intimidate a target (victim)—often repeatedly. It might involve a physical act: hitting, kicking, biting, or shoving. It might also involve verbal or emotional abuse: teasing, put-downs, name-calling, hazing, hurtful joking, or intimidation. Bullies also sometimes use racial or sexual slurs or make threatening gestures. Bullying in all forms is prohibited from Scouting.

After the troop photograph, all High Adventure participants will separate from their unit to meet their trek guide. Packing their gear so that it can be easily separated for transit is greatly appreciated.

CAMP TOUR

Troop Guide takes the unit on a camp tour. You will stop by your campsite during the tour to permit Scouts to change into swimming trunks for the swim test. Make sure your swim gear is packed for easy access.

SWIM TEST

All units must complete the swim test at Camp Daniel Boone. Swim tests completed prior to arrival at camp WILL NOT be honored because of the mountain nature of Lake Allen, the water temperature hovers at about 62 degrees or colder throughout the summer (Did someone say 'cold'? It means "COLD"!!).

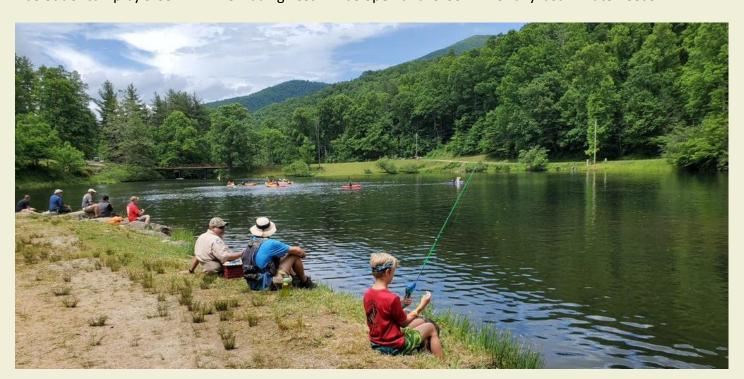

Camp Daniel Boone '22 CHECK OUT PROCEDURES

All advancement information will be given to the Scoutmaster at Friday night's leader's meeting in the dining hall. In addition to advancement, unit leaders will also receive undelivered mail, non-refrigerated medications, medical forms, as well as 2022 Camp Daniel Boone patches and any unit pictures that were purchased. Any items still in lost and found will be delivered to the dining hall at this time, and unit leaders are encouraged to look for anything that may belong to their troop.

Each area director is present at this meeting to answer any questions concerning a Scout's advancement. It is the responsibility of the unit leader to ensure their units' advancement records have been received and are complete and accurate. It is much easier to deal with a discrepancy at this time, while all parties are together. Units will also have permanent access to their merit badge records after leaving summer camp, which can be accessed by logging into the CDB website.

On Saturday morning, a TO GO hot breakfast is served from 6:00 – 8:30AM on the front porch of the dining hall. At a time of your choice, your campsite inspector will arrive at your campsite to check you out. All equipment must be checked back in with the quartermaster prior to campsite inspection. The camp site should be cleaned and ready for the next troop to occupy.

Unit Leaders should pick up any refrigerated medications before leaving Saturday morning. All troops should be out of camp by 9:00 A.M. The Trading Post will be open until 9:00 AM for any last-minute needs.

DAMAGE TO EQUIPMENT AND FACILITIES

All campsites and camp owned equipment used by a unit will be inspected before the unit checks in and as the unit checks out. Each Scout and Unit is responsible for taking care of camp equipment that has been assigned for their use. Any damages that occur during your troop's stay will be assessed by the Camp Ranger and must be paid for, or arrangements to pay must be made, before the unit leaves camp. Damage could include breaking or losing equipment, defacing tables, latrines, and buildings, cutting or tearing canvas. Note: Aerosol spray cans used inside tents will remove waterproofing from tents. Remember, this is your camp and equipment. Please protect and preserve it!

Masks (bring your own) and gloves (provided) will be required during this very important activity.

On Thursday evenings, we encourage units to cook as a group in the campsite. If you choose this option you will need to let the dining hall manager know by noon on Wednesday (don't worry, we'll remind you at the Scoutmaster meetings)! We will provide all the food and condiments needed as well as cooking pots, plates, cups, and silverware. The meal will be jambalaya and S'mores. Units can cook on the open fire or bring their own stove. If you want to add to this meal or cook it using a different method, please make sure to bring the proper cooking equipment and extras to add.

SPECIAL DIETS

The menu at Camp Daniel Boone is primarily high calorie-high carbohydrate, so not the place to start a diet! Beginning with the summer of 2022, CDB food service will only be able to fulfill special dietary requests for vegetarian and/or faith-based diets. We ask that individuals with special dietary needs bring their own specialty foods with them to Camp to supplement our menu. These specialty foods must be stored, prepped, and cooked in the troop's campsite. CDB will provide and deliver ice for food storage to campers daily. Due to contamination concerns, we cannot grant access to the Camp Kitchen for food preparation, storage, or cooking. If you wish to communicate directly with the kitchen team, you may do so via email specialneeds4cdb@gmail.com. Be sure to include your troop number and week attending. Once summer camp begins, it is best to call the dining hall: (828) 235-2776.

<u>A word about peanuts:</u> Camp Daniel Boone does not serve peanuts as part of the regular menu. However, that does not mean there will not be nuts in certain items at camp, such as prepackaged cookies, ice cream flavors as well as other items sold in the trading post. Additionally, wrapped peanut butter and jelly sandwiches will be available to Scouts during mealtimes in the dining hall. We will gladly check labels as needed and encourage your Scout to do the same. Please encourage your Scout to take personal responsibility for checking labels and making safe food choices.

Scouts or Scouters with special needs may choose to stay at our NUNC Kiwanis campsite. The site is conveniently located near the main program areas of camp including the dining hall and handicap shower facilities. The site has four two-person cabins, ramps, and other facilities needed for wheelchairs. Electricity is also available. Please remember that automobiles are not permitted in any campsite.

Rafting trips can be scheduled on Tuesday or Thursday.

- Units must provide their own transportation
- Guided Trip, meaning there will be a guide in each raft.
- Fees: \$50.00 per person
- All participants must take the BSA Swim Test at Camp Daniel Boone.

Fees cover equipment, lunch, guides, and Forest Service river use fees. Units are welcome to tip their river guides.

For all rivers, it is very important to **ARRIVE AT LEAST ONE HOUR BEFORE YOUR SCHEDULED RAFT TIME.** Plan to leave camp in time to arrive at the river well before your scheduled trip. You will need time to park, unload and navigate to the check in location. NOC reserves the right to add a financial penalty to units that are late and need to be rescheduled to a later trip.

You will get wet, so be sure to bring an extra set of clothes and shoes. The following items are recommended for the trip: shoes (sneakers or shoes that tie are required), shorts or swim trunks. On cooler days, additional clothing may be needed. Cameras may be taken at your own risk.
