Scoutmaster Report

Mr. Davis reported on the planning of the summer DC camping trip. He noted that camping currently is planned from Ft. Belvoir Army Post. It is located south of Washington DC in Virginia. The logistics of getting to DC will start with a walk to the bus station and a bus ride to DC. This will be a 2 hour trip each way. Camping options to get the troop closer to DC are being researched, but there are no confirmed plans to change campsites at this time. Mr. Davis is looking for merit badge councilors that will be going on the trip to put together a merit badge program for the scouts. Bus to and from the train in Florida will be provided by Olympus Bus. A leadership draft guide has been distributed for review and additional questions. The cutoff for the train trip cancellation is 10 days before the trip. Mr. Davis noted that the planning and logistics of this trip made were planned to keep the cost per scout to \$485, which is equivalent to the cost of most BSA summer camps. The payment deadline will be set after the troop fund raiser.
